

CITY INDEX SURVIVES ‘THE RICKSHAW RUN’ AND RAISES 5K FOR CHARITY

London, UK, 18 May, 2011 – City Index, a global leader in Spread Betting, Contracts for Difference (CFDs) and margined foreign exchange, is pleased to welcome back its two employees, Allen Knight, *Head of UK Retail Sales*, and Michael Herron, *Global Director of Legal and Compliance*, following their successful completion of a two week, 5,000km adventure across India, in a three-wheel auto rickshaw.

The infamous Rickshaw Run is considered one of the world’s most dangerous and daring annual charity events. City Index’s brave twosome, aptly named “CityCityBangBang”, navigated a 150cc powered rickshaw across the harsh Indian terrain, against the odds, in the process raising £5,000 for two local Indian charities, Frank Water and SCAD.

The treacherous 5000km journey took the brave team from the southern tip of India, around the coast, bypassing Nepal and Bangladesh, deep into the hills of Meghalaya.

City Index would like to thank all those who contributed to this very noble cause.

Contracts for difference (“CFDs”) trading, spread betting and margined foreign exchange carries a high level of risk to your capital with the possibility of losing more than your initial investment and may not be suitable for all investors. Ensure you fully understand the risks involved and seek independent advice if necessary. Please note lower deposit rates could allow you to increase your risk.

About City Index Group

City Index Group is one of the leading global providers of retail trading services, transacting in excess of 1.5 million trades per month for the group’s customers around the world. City Index trading platforms give access to thousands of derivatives on global financial markets, including; Spread Betting, Contracts for Differences (CFDs) and margined foreign exchange (FX).
